

WE ARE M&N

## RESIDENTIAL LANGUAGE TRIPS

### WHY ?

At **We are M&N** we want to make sure that when you learn a language you enjoy the process beyond the lessons we provide weekly at our centers in St. Albans and Harpenden. Our hope is that it will be a group of experiences which will help you flourish, not only in the way you speak, but your understanding about the culture that surrounds the languages you are learning.

We have picked this school not only for the vast amount of experience it has teaching foreign languages, but because of our personal experience when we visited the center and the team. It is with passion that people learn, and want to continue learning, and we believe this is a fantastic opportunity for our students.
